# Introduction of HEBUT (Finland)

河北工业大学  
HEBEI UNIVERSITY OF TECHNOLOGY

Enrollment commenced in 2020, with a current student population of **745** (comprising **351 Chinese students** in Finland, **283 international students**, and **110 Chinese students** in the class of 2024). The initial international cohort represents 31 countries.

Among these, **155 international students** are scheduled for **enrollment in 2023**, including **64 EU students** and **91 non-EU students**.

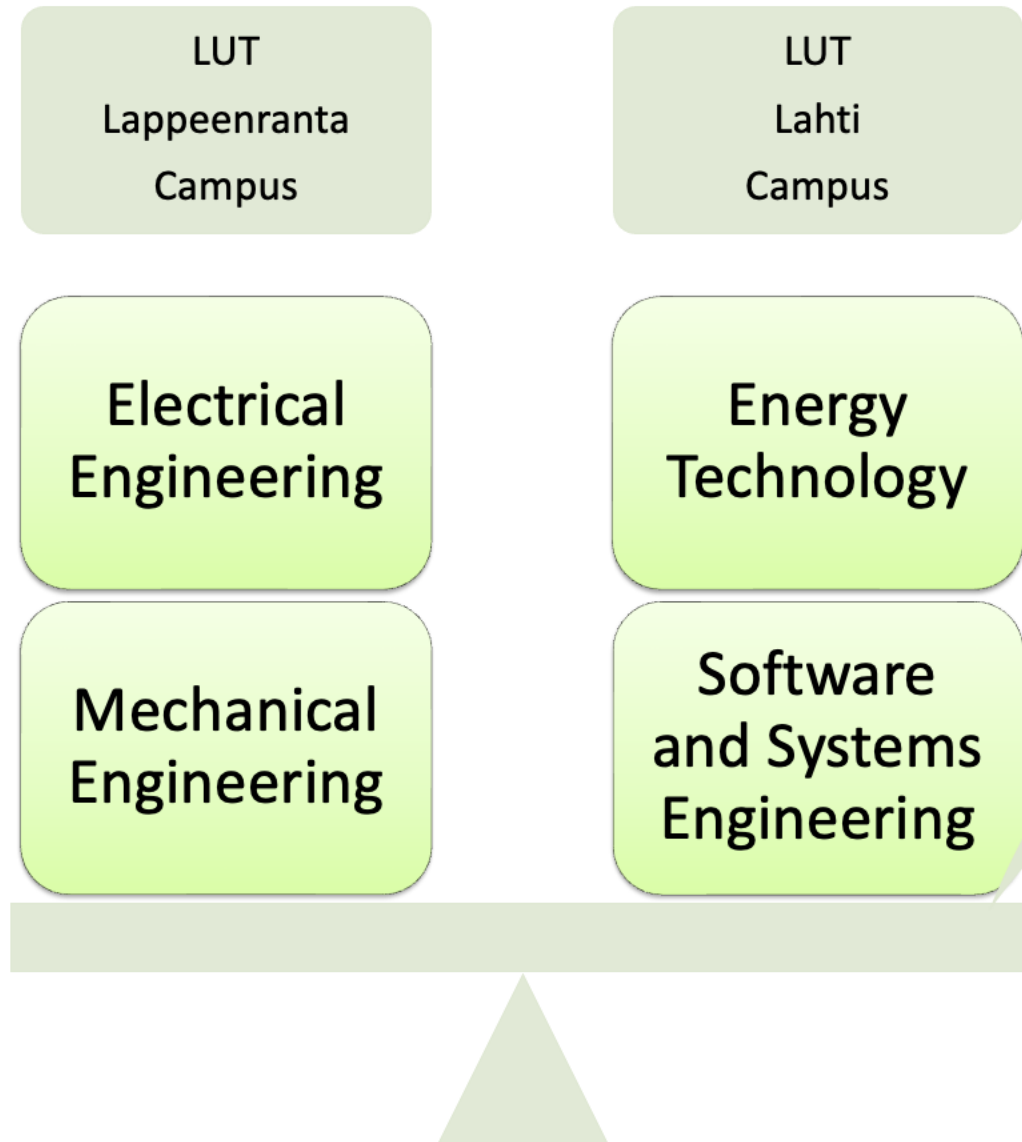

Number of students in different Programs

# Four Bachelor Programs

河北工业大学  
HEBEI UNIVERSITY OF TECHNOLOGY

**Opportunity to  
directly apply  
Master's programs**

**Starting from academic year 2025-2026, part of courses in joint double degree programmes will be independently delivered by HEBUT. These courses will be available in SISU and can be identified by the course code prefix HDD (e.g., HDD1234).**

**Please note that starting from autumn 2025, students enrolled in double degree programmes will be required to complete HDD courses as part of their degree. Enrolment in LUT courses will no longer be allowed.**

# One More Thing

---

---

- Same function with LUT Moodle
  - HDD courses inside
  - Be able to access the HEBUT Moodle using your existing login credentials (LUT User Account)
  - Register in HEBUT through HEBUT Moodle
  - Follow GDPR regulations
- 

*<https://hebut.maisterilms.com/login/?lang=en>*

---

# Registration for New Students

河北工业大学  
HEBEI UNIVERSITY OF TECHNOLOGY

**In accordance with the relevant regulations of the Ministry of Education of the People' s Republic of China, personal information needs to be uploaded to China Higher Education Student Information System (CHSI). To complete your enrollment process at HEBUT, you are required to register by scanning the designated QR code before October after you are enrolled at LUT.**

---

---

# Registration for New Students

河北工业大学  
HEBEI UNIVERSITY OF TECHNOLOGY

- Failure to complete this registration will result in your information not being recorded in the CHSI system, consequently preventing HEBUT from issuing your degree or graduation certificates. The registration process requires you to provide your passport number, date of birth, email address, and other necessary details.
  - Please note that this information will be **utilized exclusively for registration purpose** and will NOT use for other purposes.
  - The new questionnaire QR code will be released soon through HEBUT Moodle System.
- 
-

# Requirement of Image Collection

河北工业大学  
HEBEI UNIVERSITY OF TECHNOLOGY

**According to the regulations of China's Ministry of Education, students are required to complete the submission of personal image information, and the uploaded image must match the one on their graduation certificate.**

**Therefore, **all HEBUT-LUT double-degree students** should participate in the personal image collection process arranged by HEBUT before you graduate.**

**HEBUT will **notify all third-year double-degree program students** around November each year via email ([finland.teaching@hebut.edu.cn](mailto:finland.teaching@hebut.edu.cn)) with instructions on registration and participation for the photo collection.**

---

---

# Requirement of Image Collection

**If you are unable to come to the Campus for the photo-taking session arranged by HEBUT, please refer to the following requirements and provide them to a third-party photo studio or photography service:**

**The photo must meet the specified requirements just like next page.**

**Please send a digital copy of the photo to the designated email address of HEBUT (finland.teaching@hebut.edu.cn), naming the file as [Your Name] + [Student ID Number].**

## International students

Three academic years

Exchange programs in China during  
the summer vacation (optional)

**To be eligible for the graduation and the award of the degree of Bachelor, students are required to meet the following requirements:**

- Enough credits for graduation (180cr) and finish all compulsory courses of your program**
  - Satisfied the Requirements of Chinese language proficiency (compulsory courses + Chinese exam)**
  - Completed HEBUT registration and photo-taking**
  - Finished graduation thesis and meet requirements both from HEBUT and LUT**
  - Minimum cumulative GPA of 2.5/5**
- 
-

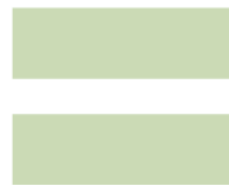

# Chinese Language Requirements

河北工业大学  
HEBEI UNIVERSITY OF TECHNOLOGY

**Graduation  
requirements  
of Chinese  
Language  
Proficiency**

**Course  
Completion**

**Pass HSK Test  
or Language  
Test by  
HEBUT**

- **Course Completion - Compulsory Chinese Language Courses**

**HDD7010 Basic Chinese 1**

**HDD7020 Basic Chinese 2**

**HDD4120 Overview of China**

# Chinese Language Requirements

## • Pass HSK Test or Language Test by HEBUT

1) Language Test by HEBUT: choose a test time from two options available each academic year

release test  
date and  
time three  
weeks in  
advance

Early April

Late November

pass  
BOTH the  
written  
and  
speaking  
test

Written test : paper  
examination  
simultaneously at  
LUT both campuses

Speaking test: in-  
person interview

## 2) HSK test

**Ps: The HSK test is China's official language test for non-native speakers of Chinese.**

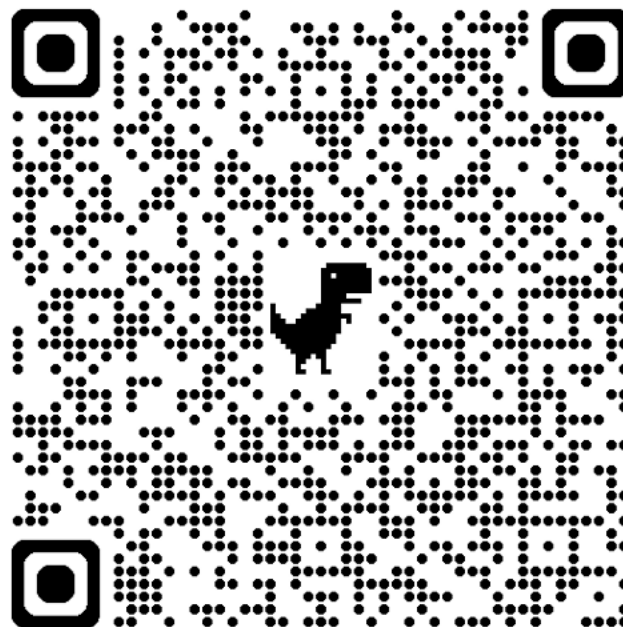

# Interested in taking the HSK test?

河北工业大学  
HEBEI UNIVERSITY OF TECHNOLOGY

**The Multilingual Academic Communication Centre (Movi) at the University of Jyväskylä organizes the HSK test once a year.**

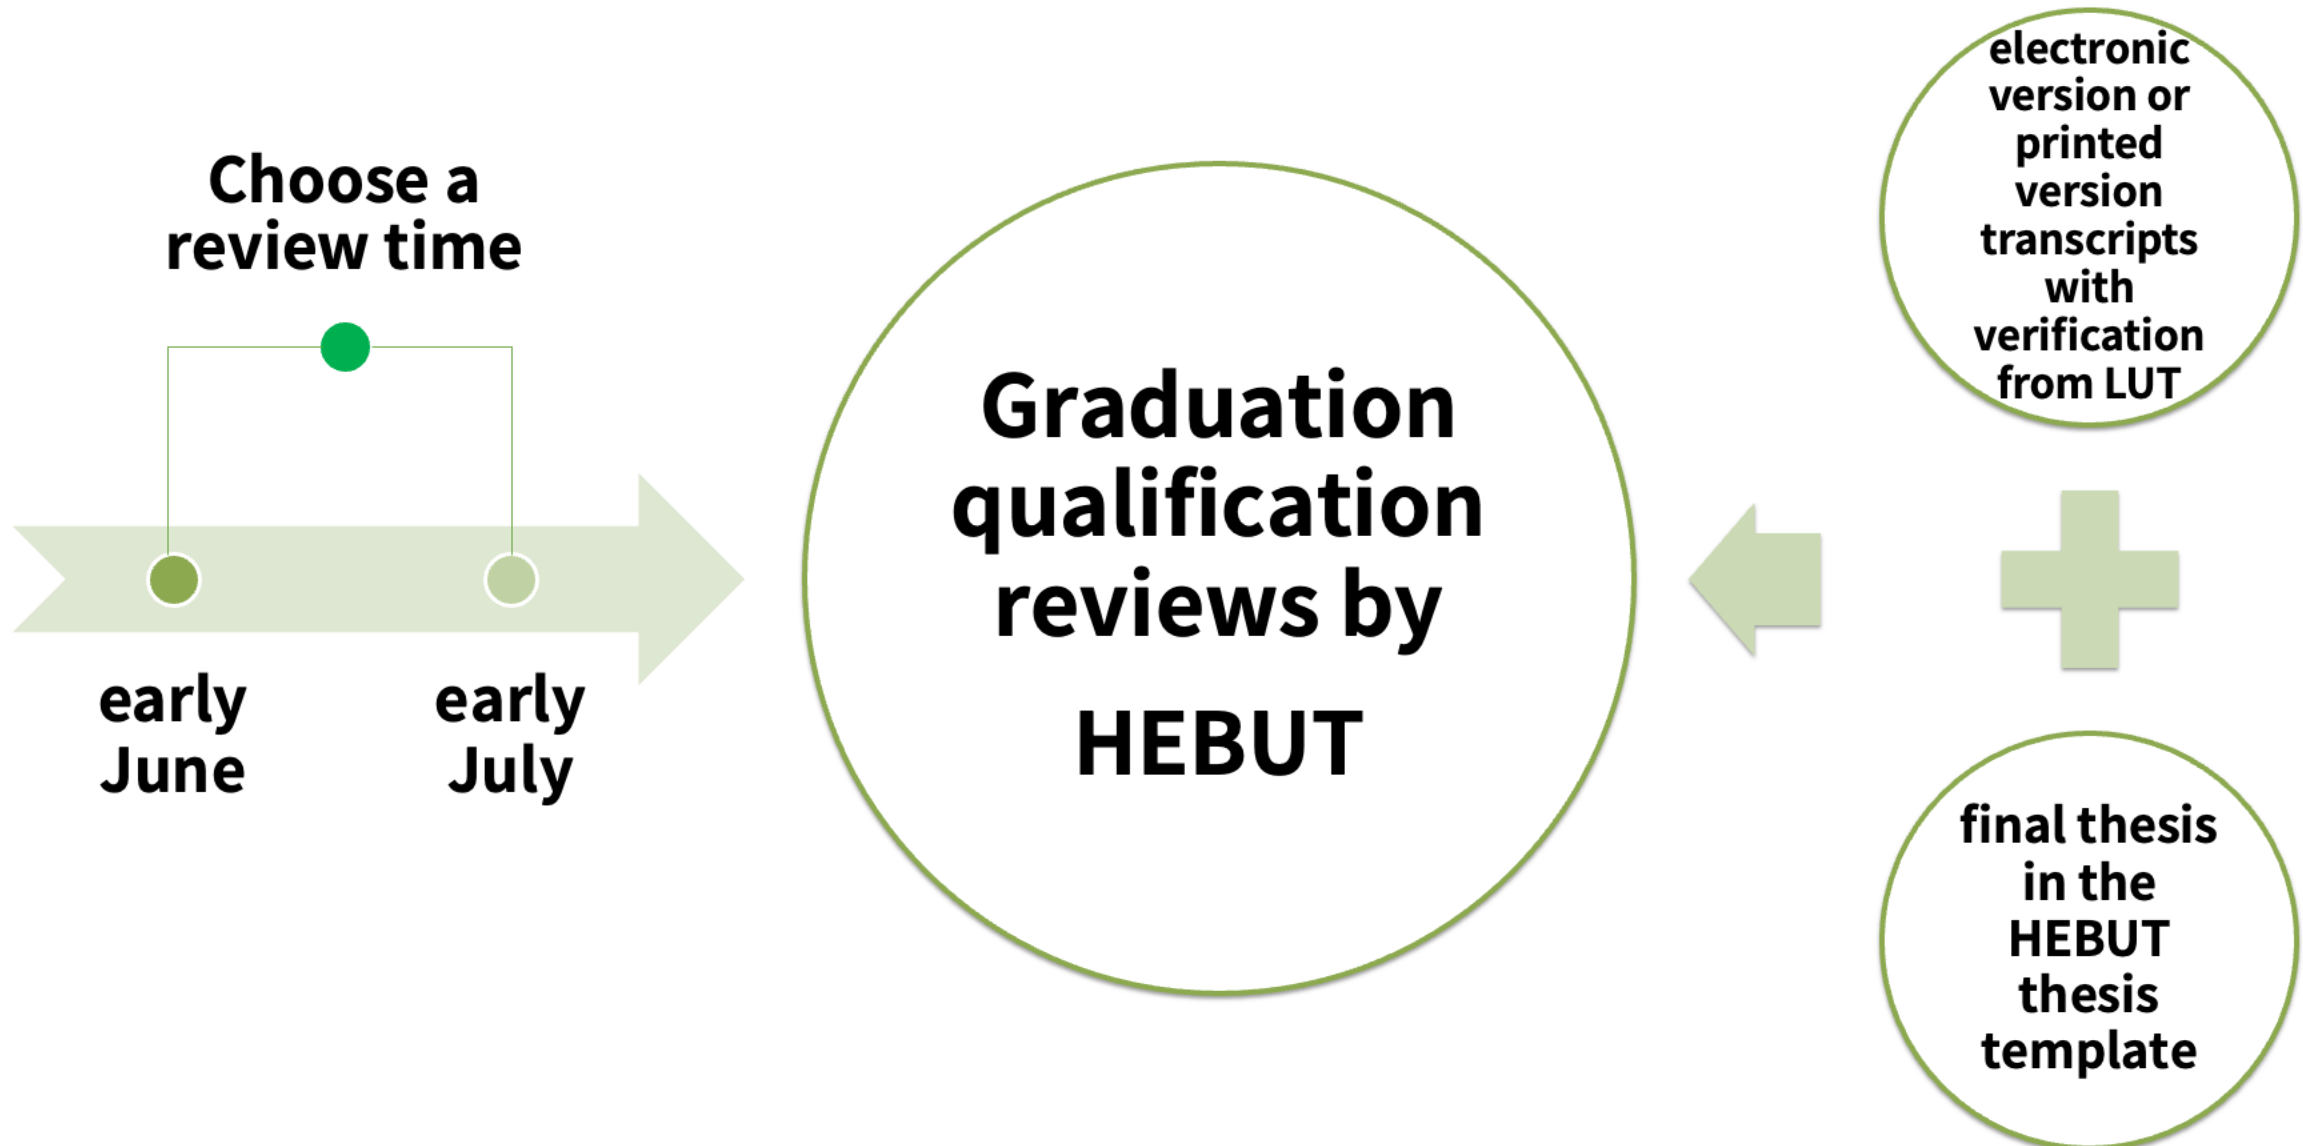

**Jyväskylä Website Page**

# Application Requirements for Certificates

河北工业大学  
HEBEI UNIVERSITY OF TECHNOLOGY

# Final thesis in the HEBUT thesis template

河北工业大学  
HEBEI UNIVERSITY OF TECHNOLOGY

## Steps

1. Log in the graduation project system

<https://finlandgraduation.hebut.edu.cn/>

2. Upload the final thesis with HEBUT template. The final thesis must be revised under the guidance of the Chinese tutor before uploading. After uploading the final thesis, the supervisor will review it in the system.

TITLE OF THE BACHELOR'S THESIS IN CAPITAL LETTERS, BOLD TYPE, LEFT-ALIGNED, STARTING 11 CM FROM THE TOP OF THE PAGE

Possible subheading

Hebei University of Technology HEBUT

Your degree programme and thesis type (e.g. Bachelor's Programme in..., Bachelor's thesis)

If relevant: The name of your Bachelor's programme (e.g. Bachelor's programme in Electrical Engineering)

202X

Author's first name and last name

Examiner(s): Title, First name and Last name (e.g. Professor John Smith)

First name, Last name and degree (e.g. Jane Smith, D.Sc. (Tech.))

## Assessment indicators

## What if I do not meet the requirements at my third year?

For students who do not meet the conditions mentioned above, they need to apply for **graduation extension**.

Students are required to tell study counselors of HEBUT for Graduation Extension before **specified deadline through email**. Tuition fees must be paid according to university regulations to extend the study period. The maximum extension is two years. If students meet the graduation requirements within two years, they will receive a graduation certificate.

---

---

**What if I finish all the things at my second-year? Can I get HEBUT certificate and diploma?**

**Unfortunately, you can't get the graduation certificate and diploma even you meet the requirements of graduating in HEBUT. The minimum study year for HEBUT is 3 years. You need to wait until you are at your third-year and then you can get HEBUT certificate and diploma.**

# For Previous Exchange

- **No tuition fees**
- **Free accommodation**  
Shared rooms with furniture, electrical appliances, bathroom, kitchen and shared sitting room
- **Some local travel costs covered** (organized cultural tours in Tianjin and Beijing)  
Other travel costs covered by student (international and other local/domestic travel)  
Approximately €1000 for round-trip flight tickets.
- **Other living expenses covered by HEBUT and students**
  - 300 KWH monthly electricity quota for double-degree students.
  - 8 tons of recycled water and 8 tons of tap water per month for double-degree students.
  - Non-double-degree students pay by themselves.
- **Most prices (especially food) are much lower in China than in Finland**  
For a dinner in campus, you will only cost below € 2  
You might need approximately € 700 - 1000 to cover the 12-week exchange

**Approximately May 15<sup>th</sup> to August 15<sup>th</sup>**

Weeks	Content
Week 1	Orientation (campus tour, HEBUT history museum, welcome party)
Week 2-3	Cultural tours organized by HEBUT
Week 4-11	Courses (also with some visits to local enterprises or cultural attractions related to the courses)
Week 12	Cultural tours arranged by the students themselves (approval from HEBUT will be needed), and assignments

## China

### Exchange in China

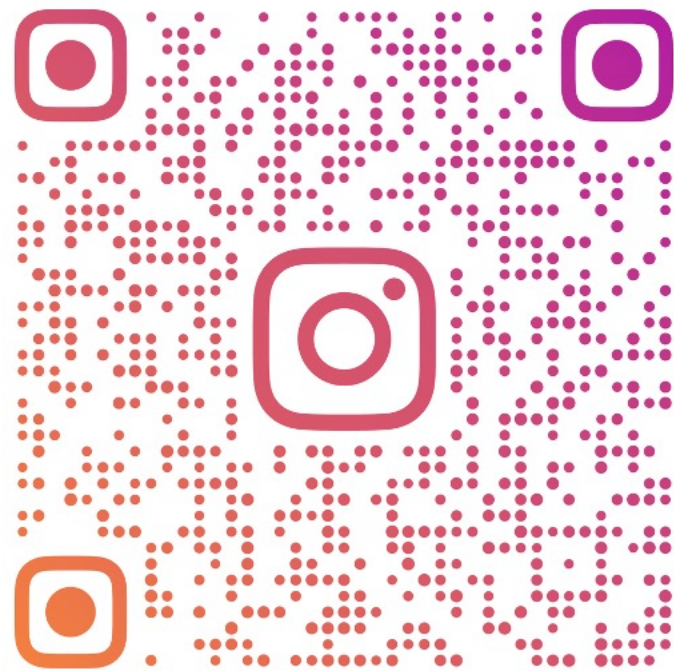

The duration of exchange is one semester according to the exchange university's academic calendar.

- B = For Bachelor level students
- M = For Master level students

Some universities offer study programmes specifically for exchange students.
